

Dear Hodag Booster,

November, 10 2023

We are currently seeking advertisers for our Athletic Booster Club fundraising poster. The poster has been a big success in the past, and we plan to continue using this format for the upcoming school year. The advertising dollars we collect support a wide variety of athletics, both at the youth and high school levels. As you know, the ABC has donated over \$340,000 to the community sports programs and numerous facility improvements. We continue to need your support! Please consider supporting our efforts with an ad on our sports calendar/poster.

All ads must be received by July 10, 2024 to be included on this year's poster.
